On May 10, 1886 General Grierson received Field Order 29 ordering him to Ft. Bayard, New Mexico Territory for ‘...the trial of court marshals that may be brought before it’. This letter attempted to reach him there but he was already enroute to Mohave County Arizona, Territory. On June 22, 1886 General Grierson sent a telegraph to Governor Zulick that there was no danger of an outbreak from the Walapai Indians of Mohave county.
