

THE WESTERN EXPRESS COMPANIES 1850 – 1890

3rd Edition

During the last half of the 19th Century, more than 400 express companies hauled supplies and mail to mining regions of the West!

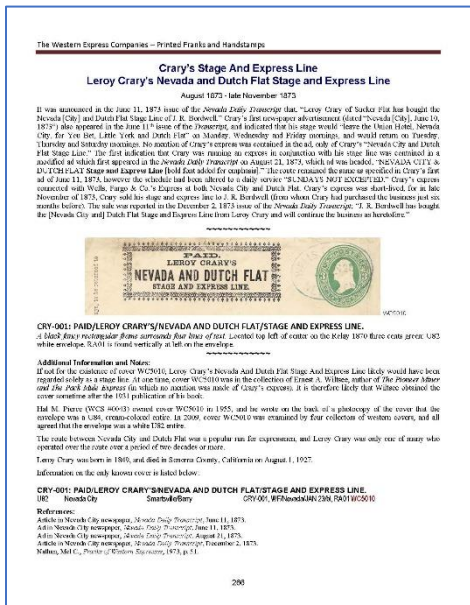

This edition of their history and the mail they carried includes:

- Major revision of some express company listings:
 - ❖ Everts and Co.'s Express
 - ❖ Langton's Express
 - ❖ Clarke's Centennial Express
 - ❖ Description and period of operation of many short-lived expresses
- Added historical information for many expresses
- Listing of known covers with printed frank or hand stamp
- Description of fake markings
- 166 additional pages to the first edition
- Description of 6,000+ cover images in image library

This 1,100-page, 2 volume, case bound edition available for only \$130!
Postpaid to USA addresses!
